## BRE343618 - 240V SUPER SOLID 8 GANG EXTENSION

Made from highly break-resistant polycarbonate with an illuminated 2-pole ON/OFF switch. It has eight earthed, childproof sockets in a 90° arrangement. The sockets allows the use of large charger units. It has a 2.5 metre, extra heavy-duty 3G1.5mm<sup>2</sup> cable for increased safety. It also has a fuse button to reset in case of overload and the cable is fitted opposite the switch, meaning there is no surplus cable left reducing potential hazards in the home/workplace.
