## Effective October 2018 Hitachi Power Tools becomes HiKOKI.

We may be changing our name, but we'll be maintaining the same great products and service, as well as ensuring full compatibility with our existing 18V battery range.

Warranty cover will continue as normal, and supplies of spares and accessories will be unaffected by the change.

I have Hitachi cordless tools - can I use HiKOKI batteries?

Yes. Hitachi and HiKOKI batteries will be completely interchangeable, so you can use your Hitachi 18V tools with the new HiKOKI batteries, or buy new HiKOKI tools to use with your existing Hitachi batteries.

What about my warranty?

All warranties will continue without any change, so your Hitachi power tool warranty will be honoured by HiKOKI Power Tools.

I need an accessory for my Hitachi power tool...

No problem! Spares and accessories for Hitachi power tools will continue to be available.

I have another question...

Feel free to email us at [info@hitachi-powertools.co.uk](mailto:info@hitachi-powertools.co.uk)

EFFECTIVE OCTOBER 2018 HITACHI POWER TOOLS BECOMES

# **HiKOKI**

Since 1948 we have been involved in the design and development of products fitted with the most pioneering Japanese technologies. These innovations have helped improve our power tools and support professionals in achieving the best possible performance.

Over the years knowledge, skills and experience has formed the basis of our brand. This strong foundation will also be the first step in the development of HiKOKI.

The Li-ion battery  
cordless nailer series.

# Blending portability with power.

**HiKOKI**  
HIGH PERFORMANCE POWER TOOLS
