INDUSTRIAL SUPPLIES AND SOURCING SPECIALISTS

LET US SOURCE IT FOR YOU!

Welding Equipment And Consumables

Did you know that we stock and source Welding Equipment and Consumables? We stock a range of consumables from a vast range of suppliers and can source items from many more...

Included in our range are Tips, Collets and Cups in various sizes. We also keep MiG wire, Electrodes, Tig Rods and Tungsten's on the shelf.

We also keep in stock a vast range of Welding PPE including Clothing, Aprons, Respiratory (Powered and non-powered), Gauntlets and Helmets.

We also have a couple of machines in stock!

If it isn't in stock then we can order it for you from one of our suppliers.

Please contact our Sales Team for more information and to discuss your requirements further.

Another New Face at J&C

We are pleased to welcome Adrian Allen "Ade" to the team. Ade is part of the Trade Team specialising in Warehousing, Deliveries and he is our Welding Specialist.

Ade has 20+ years

Experience in the welding industry therefore he will be a great asset to us and you for all your welding questions and advice.

Please help us welcome Ade to our team...
