

SURFACE CLEANERS

UP TO 100 M²/L

ND14 CLEANER & DEGREASER

Concentrated alkaline cleaner and degreaser

- Removes grease, oil, proteins, dirt and other pollution from coated, mineral and metal substrates
- Use as additive for high pressure cleaning
- Concentrated formula covers 100m²/l. after dilution
- Non-flammable, virtually odour-free

WALLS & CEILINGS

FK111 CLEANING/DEGREASING GEL

Alkaline cleaner in gel form for walls and ceilings

- High viscosity cleaner does not run off the surface
- Removes grease, oil, proteins, dirt and other pollution
- Ready to use, can be diluted for light contamination
- Neutralizes acids and acidic salts

MANY SURFACES

PRE-PAINT CLEANER

Concentrated pre-paint cleaner for most surfaces

- Multi-surface: metal, walls, window/door frames, floors and more
- Concentrated formula, can be diluted 1:50
- Removes all organic and inorganic pollution
- Anti-static effect prevents dust and dirt adhesion
