TAI WOFFINDEN

CHOOSES TENG TOOLS

I don't feel pressure when I race. This is my passion. I trust my team and they trust their tools. We don't have time to waste, we need our tools to be ready when we need them. The Teng Tools system organises all of our tools in an easily accessible kit. Everything has a specific place and no time is wasted searching for tools. The tool kits look damn good too!

What type of handle BITS DRIVER do I need?

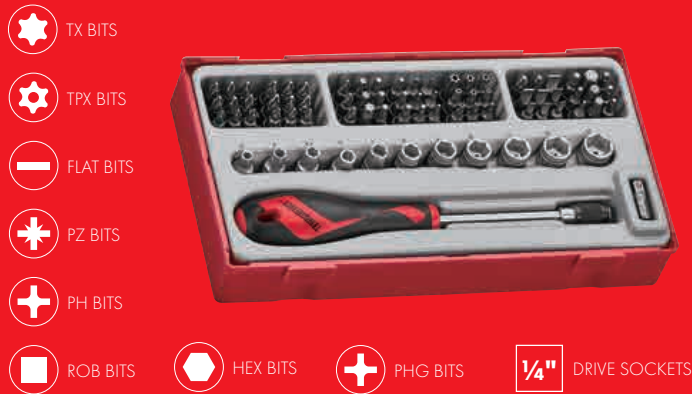

The larger type of handle allows for more power and force to be executed with the driver.

The smaller type of handle make it easier to work quickly as less force is required with the driver.

BITS TRAY | QUICK CHUCK DRIVER 76 PIECE

Item ID: TTMDQ76
