Oil Only Absorbent Mats

Perforated and dimpled mats ideal for use around machinery and in difficult-to-reach areas. Perfect for spills and isolated leaks, being both easy to use and economical to dispose of.

	Code	Size	Pack Quantity
Light Duty	AO111	50cm x 40cm	200/pack
Medium Duty	AO112	50cm x 40cm	100/pack
Medium Duty Mat Dispenser	AO181	50cm x 40cm	40/box 3 boxes/pack
Heavy Duty	AO113	50cm x 40cm	100/pack

Oil Only Absorbent Rolls

Perforated and dimpled absorbent rolls ideal for protection of aisles and walkways around machinery, lengths can be laid down to absorb overspray and prevent transfer of workshop soiling to office areas.

	Code	Size	Pack Quantity
Medium Duty	AO121	96cm x 45m	1/pack
Medium Duty	AO122	48cm x 45m	2/pack

Oil Only Absorbent Socks

Absorbent oil selective socks are ideal for use around the base of machinery or equipment during maintenance or daily use to prevent leaks or spills from spreading.

Code	Size	Quantity
A0131	1.2m (L) x 7.5cm diameter	20/pack
A0132	3m (L) x 7.5cm diameter	8/pack

Oil Only Absorbent Booms

Oil selective marine booms floating absorbent booms for use on waterways, streams, lakes, ponds to absorb oil contamination off the surface. Connectable by metal clips at each end to provide any length of containment.

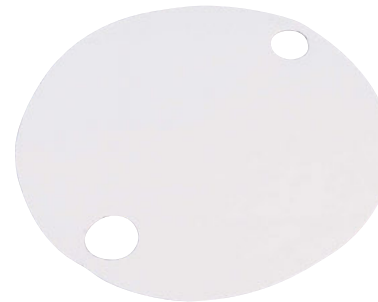

Code	Size	Quantity
A0151	3m (L) x 20cm diameter	4/pack
A0152	3m (L) x 12cm diameter	4/pack

Oil Only Absorbent Cushions

Oil Only absorbent for large volume spills ideal for use on persistent spills and leaks where large volume absorbent capacity is required.

Code	Size	Quantity
A0141	50cm x 40cm x 10cm	10/pack

Oil Only Drum Topper

Absorbent drum top cover pre-cut to fit the top of 205L drums to prevent splashes and drips running down the sides.

Code	Size	Quantity
A0161	56cm Diameter	25/pack

15-30 Litre On-The-Go Oil Only Spill Kits

Handy size on-the-go spill kit providing essential absorbents required for small spills that may occur, regardless of location. Spill kit comes supplied in a convenient snap-close lightweight carry bag.

Size	Code	Contents
15 Litre	SK15(O)	<ul style="list-style-type: none"> • 12x Absorbent Mats • 1x 1.2m Absorbent Sock • 1x Waste Bag
25 Litre	SK25(O)	<ul style="list-style-type: none"> • 15x Absorbent Mats • 3x 1.2m Absorbent Socks • 1x Waste Bag
30 Litre	SK30(O)	<ul style="list-style-type: none"> • 15x Absorbent Mats • 4x 1.2m Absorbent Socks • 1x Waste Bag

*Other sizes available upon request

50 Litre On-The-Go Oil Only Spill Kit

Medium kit in a zip-close vinyl fabric carry bag. This spill kit is a handy on-the-go size providing essential absorbents required for small to medium spills that may potentially occur anywhere.

Size	Code	Refill Code	Contents
50 Litre	SK50(O)	SK50(O)R	<ul style="list-style-type: none"> • 30x Absorbent Mats • 5x 1.2m Absorbent Socks • 2x Waste Bags

White (Oil)

On-The-Go Oil Only Fork Lift Spill Kit

15 Litre kit in a Velcro-close vinyl bag with self adhesive Velcro strips and metal rings on rear of bag for attaching to a fork lift.

TYGRIS™
Cleaning Lubricating Protecting

**one
W1P1E™**

Developed to clean tough stuff, the
NEW IMPROVED TYGRIS OneWipe™
will clean almost anything!

BIGGER, STRONGER and THICKER than
ever before, with 110 hand wipes in
every TYGRIS tub, OneWipe™ remains the
professional's choice to clean hands,
tools and surfaces.

Cleaning industry one wipe at a time...

Absorbent Granules

TYGRIS Absorbent Granules are the ideal solution for absorbing spills, particularly on uneven surfaces where mats and other common spill control products would be less effective.

Our proven range of TYGRIS granules are available in a variety of economical, environmentally-friendly, fire retardant and fast-acting solutions.

Industrial

Multi-purpose, clay-based absorbent suitable for most workplace and site spillages. Economical to use. Not suitable for use with strong acids.

Code	Size
KU20	20 Litres

Saffire Wood-Fibre

Lightweight, fire retardant, absorbent made from recycled wood and suitable for most general industrial spills. Class 1 Fire Retardant.

Code	Size
KS70	30 Litres

Premium

Environmentally-friendly recycled clay absorbent granules, suitable for oil and mild chemical spills. 100% recycled, non-toxic, natural product. Remains granular even when saturated.

Code	Size
KU63	20 Litres

Superior

High performance, premium grade, Danish moler granules for exceptional liquid absorption. Resistant to strong acids and alkalis, chemically inert, fire retardant and highly adsorbent. Approved for use by The Department for Transport.

Code	Size
KSP20	20 Litres

Drain Protection

TYGRIS provides a range of options for the prevention of drain and waterway contamination, with both mats and seals essential where large volumes of liquid are stored or transported.

Wall Mountable Bag for Drain Mats

Tough zip-up bags for storage of polyurethane drain protection mats.

Code	Mat Size
DP516	91cm

Drain Mat

Economy neoprene drain mat which can be cut to size.

Code	Size
DP571	1m x 1m

Drain Protection Kit

Neoprene rubber mat and diking granules kit, comes in a wall mountable zip up storage bag and will cover most common drain sizes.

Code	Size
DP570	1m x 1m

Clay Drain Seal

Thick, pliable clay mats that can be pressed down hard underfoot, forming a tight drain seal to resist most liquids.

Code	Size
DP582	65cm x 45cm

Liquid Storage, Containment and Handling

From TYGRIS spill trays to TYGRIS bunded workfloors, our high quality polyethylene-based products are fully compliant with EC and UK regulations and are available in a comprehensive range of sizes.

Spill and Drip Trays

These polyethylene spill trays provide safe storage and liquid handling areas in a convenient stackable format. Easy to clean.

	Code	Size
Spill Tray – 20 Ltr	SBJ645	600 x 400 x 155mm
Drip Tray - 23Ltr	SBE444	777 x 450 x 100mm
Spill Tray – 30 Ltr	SBJ646	805 x 405 x 155mm
Spill Tray – 40 Ltr	SBJ647	800 x 600 x 155mm
Spill Tray – 60 Ltr	SBJ648	1000 x 600 x 175mm
Spill Tray – 100 Ltr	SBJ649	1200 x 800 x 175mm

Bunded Trays

These polyethylene bunded trays come with a removable non-slip grid and provide safe storage and liquid handling areas in a convenient stackable format. Easy to clean.

	Code	Size
Bunded Tray – 1 x 25 Ltr Drum	SBJ680	805 x 405 x 155mm – 30 Ltr
Bunded Tray – 2 x 25 Ltr Drum	SBJ681	800 x 600 x 155mm – 40 Ltr
Bunded Tray – 4 x 25 Ltr Drum	SBJ682	1000 x 600 x 175mm – 60 Ltr
Bunded Tray – 8 x 25 Ltr Drum	SBJ683	1200 x 800 x 175mm – 100 Ltr

Bunded Pallets

Providing safe storage of 205 Litre drums, these rigidly constructed bunded pallets are manufactured from 100% Polyethylene to withstand most liquids and chemicals. Fully compliant with EC and UK regulations, they have removable plastic grids and for ease of maintenance and integral slots for forklift handling.

	Code	Size	Capacity

4 Drum Inline	SBJ606	2445 x 662 x 270mm	235 Ltr
4 Drum Low Profile	SBJ600	1380 x 1290 x 280mm	250 Ltr
8 Drum	SBJ608	2450 x 1450 x 575mm	1100 Ltr

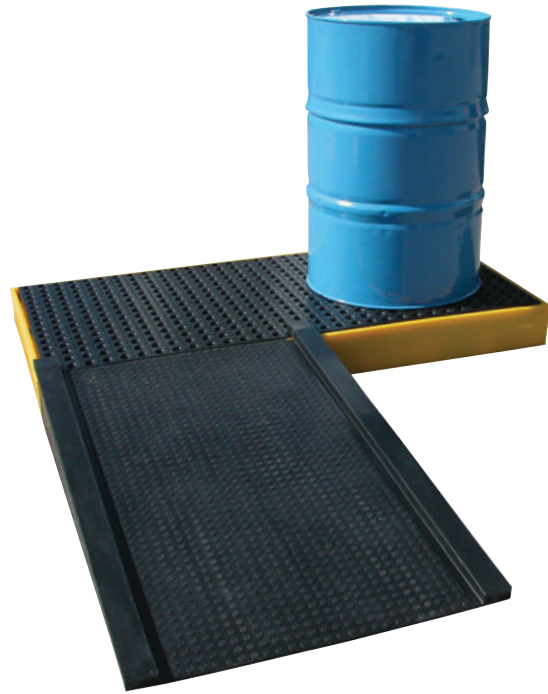

Bunded Dispensing Base and Cradle

Dispensing base for two 205L drums enabling convenient dispensing and containment of any leaks and spills. Can be used with a Drum Stacking Cradle to store additional drums as another layer on top.

	Code	Size
Bunded Dispensing Base	SBJ630	1375 x 1350 x 635mm – 450 Ltr
Drum Stacking Cradle	SBJ631	1375 x 940 x 390mm

Workfloor System

Polyethylene workfloors for 2 and 4 drums which can be connected to form larger bunded areas for use either as static storage or as a liquid dispensing area. Optional slip resistant access ramp provides easy access to bunded workflow and can be used even on the 2 drum workflow.

	Code	Size
2 Drum Bunded Workfloor	SBJ610	1600 x 800 x 150mm – 120 Ltr
4 Drum Bunded Workfloor	SBJ611	1600 x 1600 x 150mm – 240 Ltr
Workfloor Access Ramp	SBJ615	810 x 1290 x 180mm
